General Information

- "Days per week" is used for tuition classification and some weeks may not offer the full amount of days. Actual school days per week is displayed in the school year calendar.
- Parents may reserve any combination of school days (Monday—Friday). Once submitted, any desired changes to the schedule must be made a week in advance. Subject to availability.
- "1+ Days" will reserve one day a week for preschool. In the event of an absence, we will invite your child to attend school on that day at no additional cost. This may only happen once a week for a maximum of 2 days of school in one week.
- All plans require an initial \$200 books and materials fee which is used to pay for all materials and miscellaneous costs throughout the school year.
